Privacy Policy

The British Society of Toxicological Pathology may from time to time wish contact you to inform you of future events and services and with your permission would like to keep your details on our communications database. We would be grateful if you could indicate your preference by ticking one of the options below:

- I wish to receive communications from the BSTP
- I do not wish to receive communications from the BSTP

You can withdraw your consent to receive communications from the BSTP at any time, by means of a written/emailed request for removal from the database.

Although the BSTP is in contact with similar organisations in Europe and the USA it is the policy of the BSTP NOT to pass on details of our mailing list.

For those subscribing to online or print versions of the journal, *Toxicologic Pathology*; when taking out the initial subscription you are advised that your subscriber information will be released to the STP and the Publisher to enable distribution and that the BSTP will disclose only the minimum amount of information required for the Publisher's purposes. The BSTP have an MOU in place with the STP and the STP contract confirms that with current and future publishers they will stipulate that details of BSTP members will not be distributed to third parties and will be used solely for the purpose of delivery of issues of the journal. The Publisher will hold the BSTP subscriber lists in confidence and shall not utilise or disclose the BSTP subscriber lists except to the extent required to perform its obligations and exercise its rights hereunder, without the prior written consent of the BSTP.

GUIDELINES FOR THE ELECTION OF ORDINARY MEMBERS

1. ORDINARY MEMBERS

Individuals applying for Ordinary Membership should normally be actively engaged in toxicological or experimental pathology and their experience and training must be acceptable to Council.

Also; individuals who are recognised by Council to have an active interest in, or, are actively supporting toxicological and experimental pathology, and whose experience and training are acceptable to Council, may apply for Ordinary Membership of the Society.

Applications when submitted should include a curriculum vitae and any other relevant supporting material together with supporting letters/emails from two Members of the Society.

Ordinary Members shall have all the privileges of Membership, including the right to vote and hold office, and they shall pay an annual fee of £60.

2. MEMBERSHIP

Approval for membership shall be made by the Council; applications for membership will usually be considered at the next available Council Meeting and applicants will be notified by the Honorary Secretary of the Council's decision within 4 weeks of the date of that meeting.

The Council shall have the right for good and sufficient reason to reject an application for membership.

The membership year runs from 1st April through to 31st March of each year with no discount or refunds available if joining or cancelling mid-term.

The BSTP is registered with the UK Information Commissioners Office (ICO) - Data Protection Act and in addition to its UK responsibilities, the ICO has an international role including co-operation

with similar organisations in the rest of Europe and with the European Commission. See also Privacy Policy on Page 4.

3. TOXICOLOGIC PATHOLOGY

The official journal of the BSTP is *Toxicologic Pathology* - <http://tpx.sagepub.com/>. As a subscriber, you will receive 8 issues a year and you will be issued with a membership number and will be able to view and search issues back to 1999.

For those who want to subscribe to the journal through the BSTP, there are two methods of subscription: **Print and online** access which will cost £100 in addition to the membership fee i.e. £160 or you can subscribe to the journal with **online access only** at a cost of £55 in addition to the membership fee i.e. £115. Existing STP and ESTP members will receive their copy though the STP/ESTP as usual.

Where an additional INHAND supplement is issued, you will only receive a print copy if you subscribe to print and online access.

To receive *Toxicologic Pathology* you need to tick the relevant box on the membership application form so that the subscription fee due can be adjusted accordingly. Please note that subscription will be valid for 1 year and no refunds are available if you cancel midterm.

Please be aware that if you opt to receive *Toxicologic Pathology*, your contact details will be passed to the STP who will pass them to the publishers of the journal. Details of each issue will be sent to you direct from the publishers. Your positive response will indicate your permission for the Secretariat to release your contact details to these third parties.

Honorary Secretary
