

2ND ANNOUNCEMENT

Classic Examples in Toxicologic Pathology XXVIII

Seminar offered by the Hannover Graduate School for Veterinary Pathobiology, Neuroinfectiology, and Translational Medicine, and the Department of Pathology at the University of Veterinary Medicine in Hannover, Germany, and the European Society of Toxicologic Pathology
on

March 11 and 12, 2021

Online Seminar

The seminar will be held exclusively online and in English. Examples of toxicologic pathology will be presented and discussed by the participants.

Speakers will prepare handouts, which will be available for download by registrants. All presentations will be supported by digital slides (WSI). WSI will be accessible for registrants approximately 2 weeks before the seminar, during the seminar and approximately 4 weeks thereafter. The slides will have a format that does not require the installation of software for examination in a standard browser; the “VM SlideBrowser” will automatically be executed when a slide is opened. Once the electronic slides are accessible, registrants will be informed and need to use the access data received upon registration. We recommend examining the electronic slides before the seminar, as access during the seminar may be limited when many participants try to open the same slide at the same time.

Program:

Thursday, March 11, 2021

Time, CET	Title of presentation	Speaker
13:15 – 13:20	Introduction	
13:20 – 14:05	Carnitine Palmitoyltransferase Inhibitor	Maria Cristina de Vera-Mudry
14:05 – 14:50	Human Pathology of Immune Checkpoint Therapy in Cancer	Florian Laenger
14:50 – 15:15	Break	
15:15 – 16:15	Keynote lecture: COVID-19 Animal Models	Wolfgang Baumgärtner
16:15 – 17:00	Multi-Organ Crystal Deposition with an Amphoteric Drug	Barbara Lenz
17:00 – 17:15	Break	
17:15 – 18:00	Phospholipidosis	Florian Colbatzky

Friday, March 12, 2021

13:15 – 14:00	Intravenous Iron Carbohydrates	Klaus Weber
14:00 – 14:45	Intranasal Trimethyl Tin: Lesions in Olfactory Pathway	Lea-Adriana Keller
14:45 – 15:15	Break	
15:15 – 16:00	Radiofrequency Radiation-Induced Lesions in Rats	Marc Cesta
16:00 – 16:45	Stem Cell Therapies for Parkinson's Disease	Kevin Keane
16:45 – 17:10	Break	
17:10 – 17:55	Inhaled ASOs in NHPs	Jeff Engelhardt
17:55 – 18:00	Closing Remarks	

Please [register](#) as soon as possible, at the latest by **February 28, 2021**. The registration fee is 110 € for ESTP members and 150 € for non-members. Participation is free for students and employees of an academic institution.

Process: From registration to seminar

After successful registration, you will receive an e-mail with access details for the handouts and slide scans. We will inform all registrants when the slides are online.

With the e-mail that confirms your registration, you will also receive the invoice, which includes payment options. Payment of your dues and receipt by ESTP is prerequisite that you will receive a second e-mail with access details for the online seminar (GoToMeetings) in the week before the seminar.

For questions regarding the registration and payment process, please contact Amy Narewski at classicexamples2021@posteo.de. For other questions or for further information please contact the organizers.

We are looking forward to meeting you online in March!
