

Job Overview

COVANCE is a leading global drug development services company and we provide support to the Pharmaceutical and Biotechnology industries.

We are recruiting a **Veterinary Pathologist** for our site in Harrogate, UK.

This is a permanent, full time position, with opportunity for growth and development, reporting to the Scientific Director, Global Pathology (Head of Pathology).

Education / Qualifications

- Veterinary degree.
- FRCPath, or Board certified by the European or American College of Veterinary Pathologists preferred, or eligibility for the above.
- Formal pathology residency or graduate studies (i.e. MS, PhD) at an institution in which the training of veterinary pathologists is a primary function preferred.

Experience

To be successful in this position, you will possess a **Veterinary degree** and Certification in Veterinary Pathology. A **Board certification by the European or American College of Veterinary Pathologists or eligibility to sit the exam** would be a plus. Support to sit the ECVP or ACVP examination is part of our development program.

We will consider candidates who have completed a residency in Anatomic Pathology and who have an interest in toxicological pathology.

Additionally, you will need to demonstrate:

- Strong background in Toxicologic Pathology with 4 years of related experience.
- Relevant experience in the pharmaceutical drug development industry.
- Stature and expertise to provide consultancy for key clients.
- Ability to work independently.
- Familiarity with pathology electronic data capture and reporting systems.
- Ability to provide scientific guidance and feedback to colleagues and technicians, and to ensure accuracy and compliance with protocols, SOP's and client expectations of quality histotechnology.
- Sound knowledge of Animal Protection Law, GLPs and regulatory agency guidelines.

- Excellent verbal and written communication skills as well as excellent interpersonal skills.
- Fluency in English (both verbal and in writing). Fluency in German would be a plus.
- Limited travel within EU and to USA to Covance sites, conferences and client visits.
-

We offer:

Covance offers a comprehensive benefits package including health cover and contributory *pension*.

Covance's ongoing success offers team members unsurpassed growth and career development opportunities.
