Other Information

Privacy Policy: The BSTP use the personal data you provide as a member to fulfil your membership. This includes notification of events, newsletters, document sharing (i.e. INHAND), providing information about the Annual General Meeting, and sending renewal information to members by email. As a member of the society, you cannot opt out of receiving all information, however, to avoid sending you unnecessary emails, please indicate what information you would like to receive from the BSTP.

All information including details of events (i.e. BSTP and non-BSTP meetings and webinars)

All information excluding details of events

BSTP Experimental Pathology Slide Review (EPSR):

The EPSR is undergoing changes - the EPSR collection is currently offline due to ongoing issues with eSlide Manager.

Once the update is released enabling the web viewer functionality, all BSTP members will be contacted with details of the new host and how to access the images.

In order to help the BSTP plan for the future, please help us by responding to some or all of the questions below.
