

BRITISH SOCIETY OF TOXICOLOGICAL PATHOLOGY

Continuing Education Symposium 4: Respiratory System

Cambridge

Wednesday 9th – Friday 11th December 2015

17 Royal College of Pathologists CPD credits have been approved for this symposium

Continuing Education Symposium Objective:

The aim of the Continuing Education Symposium is to provide an interactive environment to enhance your knowledge in the field of toxicological, discovery, clinical, experimental or veterinary pathology. The series of Continuing Education Symposia are designed to refresh participants' knowledge and understanding of core principles, as well as discuss any important recent advances. Future BSTP Continuing Education Symposia will also focus on specific organ systems.

Continuing Education Symposium Description:

The British Society of Toxicological Pathology offers Continuing Education Symposia focusing on specific organ systems. This Continuing Education Symposium will provide an intermediate level symposium on the respiratory system covering both theory and practical classes including INHAND, rodent and non-rodent respiratory pathology, toxicology and risk assessment as well as reviewing challenges in agrochemical safety assessment.

The format will include presentations, case histories and active participation of delegates. The Continuing Education Symposium will be of 3 days duration and the programme will be arranged such that each individual day can be attended as stand-alone CPD if desired.

Who should attend:

The Continuing Education Symposium programme is intended for **toxicological and discovery pathologists (and other scientists working with animal models), clinical pathologists and toxicologists as well as non-clinical regulatory scientists**. The aim is to make the content relevant to both those who have been working for a number of years and who feel they can benefit from an update (as well as contributing their experience to the group discussions that will take place) as well as those who are in the early stages of their careers.

Continuing Education Symposium Location:

The Symposium will be held in Cambridge, detailed travel and accommodation information will be available to those who register for this event.

Continuing Professional Development:

17 Royal College of Pathologists CPD credits have been approved for this symposium (1 credit = 1 hour).

Continuing Education Symposium Registration:

Registration is limited; to ensure attendance on the Symposium, early registration is encouraged.

Continuing Education Symposium Registration Fees

Registration for this symposium will close on Sunday 22nd November 2015.

Registration	Full registration fee		Day delegate registration fee	
	Up to 25th Oct 2015	After 25th Oct 2015	Up to 25th Oct 2015	After 25th Oct 2015
BSTP Member	£700.00	£800.00	£300.00	£350.00
Non-Member	£800.00	£900.00	£350.00	£400.00
Student/Resident *	£350.00	£400.00	£175.00	£225.00

For **online registration and payment** (by credit card only) please go to

<http://www.bstp.org.uk/events/bstp-continuing-education-symposium-4-respiratory/>

Where **payments cannot be made by credit card**, please contact the BSTP Secretariat – bstpoffice@aol.com

Full registration fee includes all scientific sessions, PDF version of the symposium booklet on a USB flash drive, CPD/attendance certificate, refreshments during breaks and a light lunch (Wednesday – Friday).

Day delegate registration includes all scientific sessions on the day booked, PDF version of the symposium booklet on a USB flash drive, CPD/attendance certificate, refreshments during breaks and a light lunch.

All delegates are responsible for making their own travel and accommodation arrangements.

Registration will only be valid on receipt of payment.

* **Students/Residents** are required to provide, written confirmation (on headed paper, scanned and sent by email) of their status from their Head of Department prior to registering online.

Cancellation Policy:

All requests for cancellations to bookings must be received in writing by **midnight on Sunday 25th October 2015**.

Refund requests received up to **midnight on Sunday 25th October 2015** will incur a 25% processing fee.

Refund requests received after **Sunday 25th October 2015** will not be processed.

Those who cancel after **Sunday 25th October 2015** and have not paid will be invoiced for the full amount.

Replacements: Substitutions can be made at any time up to **midnight on Sunday 22nd November 2015**.

Timelines:

July 2015	<i>Registration opens</i>
Midnight on Sunday 25th October 2015	<i>Early registration fee ends</i>
Midnight on Sunday 25th October 2015	<i>Cancellations can be made</i>
After Sunday 25th October 2015	<i>No refunds on cancellations</i>
Up to Sunday 22nd November 2015	<i>Substitutions can be made</i>
Sunday 22nd November 2015	<i>Registration Closes</i>

CONTINUING EDUCATION SYMPOSIUM 4: RESPIRATORY SYSTEM

Wednesday 9th – Friday 11th December 2015
Cambridge

PROVISIONAL PROGRAMME

17 Royal College of Pathologists CPD credits have been approved for this symposium

Wednesday 9th December 2015	
INHAND	
08.45 - 09.15	Registration
09.15 - 09.30	Introduction by the Scientific Organiser <i>Begonya Garcia, Charles River Laboratories, UK</i>
09.30 - 10.30	Review of trimming planes in rodents & non-rodents <i>Birgit Kittel, Novartis, Switzerland</i>
10.30 - 11.00	Break
11.00 - 12.00	Review of the respiratory tract in rodents <i>David Lewis, GlaxoSmithKline, UK</i>
12.00 - 13.00	Lunch
13.00 - 14.00	Review of the respiratory tract in non-rodents <i>Alys Bradley, Charles River Laboratories, UK</i>
14.00 - 15.00	Workshop <i>Discussion cases sent by participants</i>
15.00 - 15.30	Break
15.30 - 17.00	Workshop <i>Discussion cases sent by participants</i>

Thursday 10th December 2015	
TOXICOLOGY	
09.00 - 09.45	Translatable models of COPD <i>Alan Young, Argenta, UK</i>
09.45 - 10.30	Toxicity endpoints & BAL analysis: Discussion of interpretation & techniques <i>Steve Crome, Envigo, UK</i>
10.30 - 11.00	Break
11.00 - 12.00	Challenges of juvenile toxicity in inhalation studies <i>Paul Smith, Charles River Laboratories, UK</i>
12.00 - 13.00	Lunch
13.00 - 14.00	Perspectives challenges of inhalation toxicology studies in biopharmaceuticals <i>Sylwia Marshall, Envigo, UK</i>
14.00 - 15.00	Perspectives on the utility & challenges of inhalation toxicology studies in agrochemical safety assessment <i>Pramila Singh, CiToxLab, France</i>
15.00 - 15.30	Break
15.30 - 16.15	Respiratory panel of biomarkers <i>Adrian Freeman, Envigo, UK</i>
16.15 - 17.00	Practicalities of RMV recording & is it really necessary? <i>Stephen Jordan, Envigo, UK</i>

You are advised that the programme timings, lecture titles and speakers may be subject to change without notice

Friday 11th December 2015	
RISK ASSESSMENT	
09.00 - 09.45	Challenges for inhaled drug discovery & development: Induced alveolar macrophage responses <i>Jan Klapwijk, GlaxoSmithKline, UK</i>
09.45 - 10.45	In vitro assessment of the bioreactivity of nanomaterials with the human alveolar unit <i>Terry Tetley, Imperial College, UK</i>
10.45 - 11.15	Break
11.15 - 12.15	Requirements of non clinical inhalation studies for registration & clinical development <i>Kristina Ulrich, MHRA, UK</i>
12.15 - 13.15	Lunch
13.15 - 14.00	A molecular imaging approach for inhalation toxicology <i>Marc Vendrell, University of Edinburgh, UK</i>
14.00 - 14.45	
14.45 - 15.15	Break
15.15 - 16.15	Workshop: Case Presentations <i>Colin Fish, GlaxoSmithKline, UK</i>
16.15 - 17.00	Workshop: Case Presentations <i>Joanne Kilgour, AstraZeneca, UK</i>
17.00	Closing remarks by the Scientific Organiser

You are advised that the programme timings, lecture titles and speakers may be subject to change without notice

BSTP BOOKING TERMS & CONDITIONS

1. The BSTP is registered with the UK Information Commissioners Office (ICO) - Data Protection Act and in addition to its UK responsibilities, the ICO has an international role including co-operation with similar organisations in the rest of Europe and with the European Commission. Your details will not be passed on to any other organisation without written permission from yourself. Your details will be added to our mailing list and you will automatically receive future information when it becomes available.
2. The venue used by the BSTP for the event is covered by Third Party Public Liability insurance; however, **you should ensure that you have appropriate insurance in place to cover yourself and your belongings.**
3. If, for any reason (such as inadequate numbers of registrants), an event is not run, where possible maximum notice (at least 4 weeks before the start of the event) will be given to those that register for the symposium and any registration fee will be refunded in full.
4. **The BSTP DOES NOT accept, under any circumstances, responsibility for any travel and accommodation arrangements made.**
5. The BSTP reserves the right, under exceptional circumstances to change the venue and/or the date of the symposium, where possible maximum notice will be given to those that register for the event.
6. The BSTP reserves the right, under exceptional circumstances to change the lecturers and the timings of the programme without notice.
7. The views expressed by the invited speakers are not representative of BSTP views or policy.
8. Whilst every effort is made to try and provide copies of speaker's presentations/handouts by whatever format, the BSTP are unable to guarantee that individual speakers will make their presentations available to delegates.
9. Details of any problems, queries or complaints regarding the event which cannot be included on the feedback form are to be submitted in writing to the Education Sub-Committee Chairperson within 14 working days of the symposium.

FUTURE EVENTS ORGANISED BY THE BSTP:

From 2016 onwards CES events will be held Tuesday to Thursday

Continuing Education Symposium 5: Reproductive system

Tuesday 15th – Thursday 17th March 2016
University of Cambridge, Cambridge, UK

Continuing Education Symposium 6: Nervous system

Tuesday 19th – Thursday 21st July 2016
University of Cambridge, Cambridge, UK

Continuing Education Symposium 7: Urinary system

Tuesday 6th – Thursday 8th December 2016
University of Cambridge, Cambridge, UK

Continuing Education Symposium 8: Digestive system

Tuesday 21st – Thursday 23rd March 2017 (to be confirmed)

Continuing Education Symposium 9: Cardiovascular system

Tuesday 18th – Thursday 20th July 2017 (to be confirmed)

Continuing Education Symposium 10: Endocrine system

Tuesday 5th – Thursday 7th December 2017 (to be confirmed)

Other Events

BSTP/Wellcome Trust – Mouse Models of Disease

9th to 11th February 2016
The Wellcome Trust Conference Centre, UK

For further information visit: <http://www.bstp.org.uk/events/> or
https://registration.hinxton.wellcome.ac.uk/display_info.asp?id=488
or email lucy.criddle@hinxton.wellcome.ac.uk

LAVA/BSTP – Infectious Diseases in Laboratory Animals

27th – 28th September 2016
The Midlands

BSTP Annual Scientific Meeting

November 2016
Venue to be confirmed

For further information on any of these meetings, keep checking the website -
<http://www.bstp.org.uk/events> or contact the BSTP Secretariat – bstpoffice@aol.com

Details of future meetings are correct at the time this programme is printed, the organising society will not be held responsible for any changes to dates, venues and topics of these meetings.
