

BRITISH SOCIETY OF TOXICOLOGICAL PATHOLOGY

Virtual Continuing Education Symposium 5: Female Reproductive System

8th – 17th March 2022

Tuesday, Wednesday and Thursday

13.00 – 16.00/17.00 (GMT+0, London/UCT+0)

CES 5 will be held over two weeks - on the afternoons of Tuesday 8th, Wednesday 9th, Thursday 10th, Tuesday 15th, Wednesday 16th and Thursday 17th March 2022, from 13.00 – 17.00 (GMT+0/UCT+0) each day.

Approved by the Royal Society of Biology for the purposes of CPD, this event may be counted as approximately 53 credits. Approximately 17.5 hours of educational activity will be recorded on Attendance Certificates.

PROVISIONAL PROGRAMME

Week 1	
Tuesday 8th March 2022	
13.00 - 13.15	Welcome and Introduction by the Scientific Organiser
13.15 - 14.15	Adult female reproductive system histology – Part 1 <i>Justin Vidal, Charles River Laboratories, USA</i>
14.15 - 14.30	Break
14.30 - 15.30	Adult female reproductive system histology – Part 2 (rodent oestrous cycle) <i>Justin Vidal, Charles River Laboratories, USA</i>
15.30 - 16.00	Round table/share knowledge: Discussion and questions
Wednesday 9th March 2022	
13.00 - 13.05	Introduction by the Scientific Organiser
13.05 - 14.05	Adult female reproductive system histology – Part 3 (non-rodent oestrous cycle) <i>Justin Vidal, Charles River Laboratories, USA</i>
14.05 - 14.20	Break
14.20 - 15.20	Adult female reproductive system histology – Part 4 (non-rodent oestrous cycle) <i>Justin Vidal, Charles River Laboratories, USA</i>
15.20 - 17.00	Round table/share knowledge/digital slide examination: Discussion and questions
Thursday 10th March 2022	
13.00 - 13.05	Introduction by the Scientific Organiser
13.05 - 14.05	Patterns of change in treatment-related findings in the female reproductive system including related INHAND nomenclature – Part 1 <i>Justin Vidal, Charles River Laboratories, USA</i>
14.05 - 14.20	Break
14.20 - 15.20	Patterns of change in treatment-related findings in the female reproductive system including related INHAND nomenclature – Part 2 <i>Justin Vidal, Charles River Laboratories, USA</i>
15.20 - 17.00	Round table/share knowledge/digital slide examination: Discussion and questions

V: 03/02/2022

You are advised that the programme timings, lecture title and speakers may be subject to change without notice

BRITISH SOCIETY OF TOXICOLOGICAL PATHOLOGY

Virtual Continuing Education Symposium 5: Female Reproductive System

8th – 17th March 2022

Tuesday, Wednesday and Thursday

13.00 – 16.00/17.00 (GMT+0, London/UCT+0)

CES 5 will be held over two weeks - on the afternoons of Tuesday 8th, Wednesday 9th, Thursday 10th, Tuesday 15th, Wednesday 16th and Thursday 17th March 2022, from 13.00 – 17.00 (GMT+0/UCT+0) each day.

Approved by the Royal Society of Biology for the purposes of CPD, this event may be counted as approximately 53 credits. Approximately 17.5 hours of educational activity will be recorded on Attendance Certificates.

PROVISIONAL PROGRAMME

Week 2	
Tuesday 15th March 2022	
13.00 - 13.10	Welcome and Introduction by the Scientific Organiser
13.10 - 14.10	Impact and consequences of data recording by pathologists in the female reproductive system/documentation <i>Justin Vidal, Charles River Laboratories, USA</i>
14.10 - 14.25	Break
14.25 - 15.15	Adversity calls in the female reproductive system <i>Justin Vidal, Charles River Laboratories, USA</i>
15.15 - 16.45	Round table/share knowledge/digital slide examination: Discussion and questions <i>Justin Vidal, Charles River Laboratories, USA</i>
Wednesday 16th March 2022	
13.00 - 13.05	Introduction by the Scientific Organiser
13.05 - 14.05	Overview of DART regulatory packages <i>Alan Hoberman, Charles River Laboratories, USA</i>
14.05 - 14.20	Break
14.20 - 15.20	Endocrine disruption and the female reproductive tract <i>Dinesh Stanislaus, GlaxoSmithKline, USA</i>
15.20 - 16.00	Relevance of laboratory animal reproductive pathology in humans <i>Noel Downes, UK</i>
16.00 - 16.30	Round table/share knowledge: Discussion and questions

PROVISIONAL PROGRAMME

Week 2	
Thursday 17th March 2022	
13.00 - 13.05	Introduction by the Scientific Organiser
13.05 - 14.10	Proliferative changes in the female reproductive system (Part I) <i>Heike Marxfeld, BASF, Germany and Ute Bach, Bayer, Germany and Richard Haworth, GlaxoSmithKline, UK</i>
14.10 - 14.20	Break
14.20 - 15.20	Proliferative changes in the female reproductive system (Part II) <i>Heike Marxfeld, BASF, Germany and Ute Bach, Bayer, Germany and Richard Haworth, GlaxoSmithKline, UK</i>
15.20 – 15.30	Break
15.30-16.30	Proliferative changes in the female reproductive system (Part III) <i>Heike Marxfeld, BASF, Germany and Ute Bach, Bayer, Germany and Richard Haworth, GlaxoSmithKline, UK</i>
16.30 – 16.50	Round table/share knowledge: Discussion and questions
16.50 - 17.00	Closing remarks by the Scientific Organiser
